Case No. CV 17-4557-DMG (PLAx)**

The Court's Response to Jury Note No. 3:

The answer to your inquiry in Jury Note No. 3 can be found at Jury Instruction No. 33. Your verdict must be unanimous as to each question posed in the Verdict Form. If you can reach unanimity as to certain questions, but not others, you must answer those questions as to which you have a unanimous verdict.
